At the bottom of the registration page, you have 3 checkboxes:

- *Yes, I agree to have my data collected and stored according to the privacy statement.* This checkbox is **Mandatory**. If you do not accept the privacy statement then you will not be able to publish with the journal.
- *Yes, I would like to be notified of new publications and announcements.* This checkbox is **Optional**. If you select it, you will receive an e-mail whenever a new issue of the Journal or a new Announcement is published online. You can always edit your selection in the Profile section of your account after its creation.
- *Yes, I would like to be contacted with requests to review submissions to this journal.* This checkbox is **Optional**. By selecting it you agree to receive Review requests from the Journal's editors. You will be asked to provide a list of the domains or fields in which you have expertise to receive only relevant articles for review. You can always edit your selection in the Profile section of your account after its creation.

When all data is entered you can press the Register button to submit the form.
